- **Susan:** We are looking for donations for our GRCNA convention auction. Lonnie W will be the GRCNA auctioneer for Saturday night. GSR's please announce at your homegroups that we are looking for NA memorabilia for donating to the GRCNA auction. I believe the flyer is online.
- **Mark:** I'm from South Atlanta Area, and on the regional subcommittee for our history book. I have some calendars for sale for the Ga History Book fundraising. The biggest thing is that we are looking for transcribers. Once we do an interview with some of the old timers, starting with 30 years and up, we need people to put it into text form. We have a few people in the state helping us, but are in need of some extra help. It is time consuming, but you can do this at your house.
- **Stephanie:** Is there a timeline on how long we would have to complete the transcription.
- **Mark:** It is all based on the person, but we hope that for each transcript it would take between 30-60 days. Then if you wanted another interview we would give you an additional interview. We are hoping to have the book completed within 6 years.
