New Business: 4:00 pm

- **Motion 01-001:** To create an ad hoc committee to hold a special 2023 event to celebrate the 40th anniversary of the publishing of the NA Basic Text.
 - **Maker:** Linda D. GSR of Spiritual Awakenings
 - **Second:** Tom C. GSR of Living the Program
 - **Intent:** The Marietta Area played an important role in the writing and publishing of the text, so it would make sense to honor that history with an all day event. This motion would approve the creation of an ad hoc committee, but a budget would need to be submitted and approved by the ASC.

There were no objections, so Carrie approved creation of the ad hoc subcommittee and appointed Curt the chair.

- **Motion 01-002:** To allot an additional \$100 for food at the Lip Sync Battle event. The committee plans to have a dessert bar and drinks. The rent for the event will only be \$50, so we won't be using all of our approved budget. We also plan to charge admission to help cover the cost of the event. We currently have \$100 budgeted for food, so this will give us \$200 to spend if approved.
 - **Maker:** Karen H. Activities Chair
 - **Second:** Mindy M. GSR of End of the Road
 - **Intent:** To provide refreshments for the event

Passed: 15-0-0

- **Motion 01-003:** Change policy to make an exemption for the 24-Hour Room budget submission until the March ASC instead of November due to the event not happening yet and no financial report being submitted. Policy affected Article 8.A.6. No financial impact.
 - **Maker:** David H. 24-Hour Room Chair
 - **Second:** David M. GSR of Unity Group
 - **Intent:** To give the 24-Hour Room chair ample time to create an acceptable report of the event.

Chair Report

January 29, 2023

Today, I will be distributing an Area Inventory form to GSRs. Please use this form to collect your group's conscience as related to our Area and bring back to me at our February ASC, Sunday Feb. 26, 2023. I will combine all feedback received to review at our Area Inventory session, Sunday Mar. 5, 2023.

Please note, the Area Inventory form available on na.org was slightly adjusted to accommodate the individual member. I have a few extra copies of the inventory form with me today. If there is a member that does not currently have a homegroup or feels their opinions were not expressed by their group, these individual members are encouraged to complete a separate form to ensure their voice is heard.

Also important are the 2 last questions of the inventory. These provide an opportunity to address anything that wasn't already considered. If you run out of paper, please attach a separate sheet. The more thorough our inventory, the more effective the process. A pdf of the inventory form was also provided to our Area Secretary. If needed, you may request an electronic copy from secretary@mariettana.org or chair@mariettana.org.

Please be sure to submit completed inventory sheets no later than Sunday, February 26. If you are unable to attend the February ASC, please submit your form to me by email at chair@mariettana.org. The deadline to submit this information electronically is the same – Feb. 26.

Our Marietta Area Inventory will be held virtually through Zoom on Sunday, Mar. 5 at 2 p.m. All are encouraged to attend, including individual members. As a friendly reminder to GSRs, we will be taking attendance at this session and your participation will count as it would at an ASC. Please try to connect 10 minutes prior to the session, if you have connectivity concerns. We will begin promptly at 2 p.m.

Marietta Area Inventory
Meeting ID: 830 9249 8392

One other item I plan to address in the next month or so is having our Vice Chair added as an authorized signer on our area's bank account. This is not a very critical item since we have 3 signers on the account, but it would be nice to have completed before the May ASC, when nominations are made.

In loving service,

Carrie A

Marietta Area Service Committee Treasurer's Report

January 2023

Hi family, rather than start with the numbers I thought I would take an opportunity to address the ASC about the open Alt-Treasurer position. We are now 5 months away from the end of my tenure as Treasurer. Depending on the prior experience of the applicant in question, it would be best to have at least 2 months to train the Alt-Treasurer to take over as Treasurer at the end of my term. A simpler way of stating this: it would be best to slot-in an Alt-Treasurer as soon as possible for training purposes.

If you know of anyone in your homegroup, network or sponsorship family that would be willing to serve as Alt-Treasurer for a few months and then Treasurer starting in the summer, it would be terrific if you could point them this way. I realize this might sound a bit on the early side, but I also know how fast the months can fly by and I did not want to wait until the 11th hour to sound the alarm bell on this.

You might also note that the old Prudent Reserve is still displayed on the budget worksheet. Last month the 24 Hour Room portion of the 2023 budget was tabled. If possible I would like to wait until the 24 Hour Room budget is resolved by the ASC before assembling and calculating the budget spreadsheet(s) for this year. I realize this might not be feasible if the issue continues to be unresolved on a long-term basis but I am hoping that it might be resolved soon so that I only have to assemble and calculate the spreadsheets 1 time.

With all of that being said, onto the numbers: We currently have an ending balance of \$6,239.59 in the ASC checking account. This reflects an uncleared check in the amount of \$106.36.

We started with a balance of \$2,505.18 and took in \$996.00 in group donations and \$434.00 in literature sales. Additionally, the 24 Hour Room returned \$3,789.79 to the ASC.

Our expenses of \$1,591.74 included reimbursements to the Activities subcommittee, the RCM, PR, and the 24-hour room. Our available funds, less the \$2657.30 in prudent reserve and \$179.44 in the literature account, are \$3,296.49.

Please see the attached spreadsheet for detailed information about this month's income and expenses.

In Loving Service,

Kate W.

If we decline a deposit that you mailed to us, we may return it to you at your cost (including charging you for postage and handling to return foreign currency coin or paper), or retain any invalid checks or other documents included in the deposit without crediting your account, at our discretion.

CAR (Workshop)

We had the CAR Workshop this past Sunday, I don't know the exact number of attendees, but it was somewhere between 10 and 20. Multiple people from West Georgia attended as well.

The workshop included relevant links for the CAR and WSC which will also be included in my report, as well as a link to a Google drive shared folder with all documents used during or relevant to the workshop, including the PowerPoint (and an Open Office version) slides of the workshop.

Also as an aside: the wording of motion 1 has been changed, the actual effect remains the same, they are just amending the wording to include the change about NA literature in the wording of the motion.

Two things I might not have said last month:

1. We can always try to submit an amendment to a CAR motion. I do not recall this ever happening (from a region), but keep that in mind when voting on the CAR motions.
2. There is a literature survey, and we can submit as an area, but people can also submit as an individual (or a home group). I would think it's best to do that survey as individuals, just because, it is not like there are only 3 or 4 options in each category, so it seems far from certain there would be a majority consensus on topics, but if you want to vote as home groups and then submit 1 vote as an Area, we can and I will submit our decision as an area.

CAT

A couple of days ago NAWS also released the CAT, which is the Conference Approval Track. In short: while the CAR motions are more about proposing project plans and policy changes (and things like that), the CAT motions are about the concrete actions to be taken during the next cycle.

I reached out to our RD, since he only really talked about the CAR at the previous RSC and asked him if at the next RSC he would only be taking votes for the 25 CAR motions or also of the CAT motions. His response was not particularly helpful. His response was: "The CAR motions for sure. I need to read the CAT but typically these are items already passed from the previous CAR", which is not entirely true, obviously since it is motions that are being voted on, it is not just rubber stamping from the previous CAR. And the motions include approving the budget. He also communicated there will be a Zonal Zoom workshop next Friday.

So I do ask the GSRs as to what to do on that front.

I will point out, that at this point, our home groups voting might be pointless if our RD/RSC does not tally the votes for the CAT motions. That should not necessarily be a deterrent .

But also, several of these motions would be guided by the results of the CAR survey, so an informed decision might be taken out of our hands, at least on those motions.

CAR voting

The one thing I wanted to bring up for discussion today is next month's CAR vote. In the past, it's usually been like we do regular voting, with everyone raising their hand, at least two people counting

votes, making sure they have the same, etc, i.e. the normal voting process. Which is always lengthy for the CAR. So in order to save everyone time and not prolong next month's ASC, I was wondering how you folks would feel about doing this slightly differently: I could make a 1 page tally sheet and have it included in the minutes, and have some printed copies for next month's ASC and GSRs could fill that out when their home group votes and/or at the start of the next ASC and give them to me, and surely by the time of old business, if not RCM report, I could present the results. Or some alternative way to save time. Or just spend the time, I just wanted to bring this up so there could be a discussion about it.

Marietta Area Activities Committee Report January 2023

Hi Family,

Our Retro Arcade Game Day was a success! We had about 25-30 people in attendance, and everyone seemed to have a great time fellowshiping and playing games. Thanks so much for the support!

We were unable to secure facility for the Lip Sync Battle until April 1st, so the event that was originally budgeted as the February Dance won't take place until April. We were hoping to only have to postpone until March, but the Georgia Regional Service Committee meeting and GRCNA are both in the month and we didn't want to conflict with those events. The date of the event was just finalized today in our subcommittee meeting, so I couldn't have the flyers printed up for you to take with today. The flyer will be in the minutes and posted to our website and social media this week and the printed flyers, in color, will be passed out to the groups next ASC. I am requesting additional funds for food for this event in a motion today. Originally our rent budget was high because we were looking at a recreation center and we were planning on very light snacks because of the large rent cost. The facility that we secured is only \$50 for rent, so we feel we can reasonably afford a more substantial food offering at the event than we originally planned. For example, instead of chips and punch we would like to provide a dessert bar and punch. If this motion is approved, the total cost for the event will be approximately \$300 rather than the \$500 that was approved. I anticipate our actual cost being even lower than \$300, however, because the West Georgia Area will be matching our funds. We hope to recoup our expenses for the event with an entrance fee of \$5.

Our March event will be a walk along the Chattahoochee River on Sunday, March 12th at 2:00 pm. The Chattahoochee River Loop Trail is about 3 miles long and is a relatively flat and easy journey. Information will be posted on the website and social media.

Don't forget our Spring Campout will be May 5 – 7 at Red Top Mountain State Park! We discussed the preliminary details for the event at our meeting today and decided to include Sunday morning breakfast with the \$15 registration fee for campers. We will request \$5 donations for day visitors and \$5 donations for breakfast for any non-registered participants. The flyer for this event will also be included in the minutes and posted to the area website and social media. Physical copies for each group will be provided at the next ASC meeting.

Please let me know if you would like to help with any of our upcoming events. Even if you can't attend regularly attend Activities Subcommittee meetings, we'd love to have you join in on discussions on Group Me and any help you can provide.

In Loving Service,
Karen H.

Ryan and Keisha

1. Recovery Village Atlanta has been confirmed and we will begin weekly H&I meetings at this facility beginning in February on Fridays at 7:30pm. We are in pending discussion with this facility regarding their desire to have 2 H&I meetings per week.
2. Blue Ridge Mountain Recovery Center and The Extension are addition facilities that PR and H&I chairs will be working to confirm.
3. We discussed a schedule rotation process that includes one-year commitments from panel leaders and Panel Members. There was agreement on having two rotating panel leaders per facility (every other week). There was disagreement on whether panel members should be required to make a commitment. After much discussion, it was voted (5 to 4) in favor of there being a commitment. After more discussion, there was consensus (again, 5 to 4) in favor of a 6-month commitment for panel members. There was a request that the issue of a commitment be brought to the area service body for feedback.
4. Our active facilities are Cobb Stabilization Unit, located at 1758 County Services Parkway, Marietta GA 30008 (meets on Fridays at 8:00pm), and Recovery Village Atlanta, located at 11725 Pointe Pl, Roswell, GA 30076 (meets on Fridays at 7:30pm). As new facilities are confirmed, we will share the details.
5. We drafted a Format for H&I Panel Meetings. Although that format has not been discussed or voted on, the chair and vice chair have customized a draft for Recovery Village Atlanta, since our meetings start next week. There was a review of a draft Subcommittee Policy/orientation that was not voted on as there was a concern that subcommittee policy changes might need to be approved at the area.

Feedback from Area Service

The above minutes were shared at Area Service Committee (ASC) on Sunday, January 29 and feedback was requested regarding: 1) committee autonomy and, 2) whether changes to procedures need the approval of the ASC and groups.

The following is the feedback from the Area Policy Chair and from a few members in attendance:

1. Area Policy Chair – the action of requiring a commitment from H&I panel members is a procedural matter that does not materially change Area H&I policy. Also, subcommittees have the autonomy to determine how actions are taken, such as how panel members are scheduled, which does not require approval from Area or groups. If anyone needs further clarification, please contact Chris B., Area Policy Chair at policyper@mariettana.org. This closes the debate regarding whether the votes casted on January 28, to change the procedure for scheduling panel leaders, is in violation of area policy.
2. Other feedback gathered included: 1) making commitments one month in duration, in which a panel member would commit to showing up every week for a period of one month, and 2) there was one comment that supported the 6-month commitment we presented. It was also suggested that panel leaders select panel members from the list of people who have been oriented (which is consistent with our procedure change).

In summary, the consensus that we will have 2 panel leaders per facility and the votes to require a 6-month commitment (6 panel meetings over 6 month) are confirmed. These procedures will go into place beginning March 2023.

Good afternoon, family-

I have attached the minutes from our last meeting where we discussed things that worked and/or didn't work with the event. We got a lot of really good feedback from the committee members.

We are putting forth our nomination for this year's chair, Nicole N. Once that vote comes back from the groups, we will start to having planning meetings for this year.

Unfortunately, I ran out of the house without my trusty book bag and did not have the money I have collected in merch sales since last area. I will continue to sell those until next area where I will turn in what I have along with yet another final report with our profit/loss accounting. After that, whatever merchandise is left will be taken to the storage at Milford Church until next event.

I absolutely love serving Narcotics Anonymous and I have had fun being the chair of this subcommittee. With that said, I was a little frustrated with participation of this Area at the event. If there were things you liked about this event, I urge you to get involved to make it better. If there were things you didn't like about this event, I urge you to get involved to make it better. Either way, be a part of the solution.

Thank you for allowing me to serve,

David H

Position (desired) 24 Hour Room Chair

Your Clean Date 5 / 11 / 20 Position Clean Time Requirement 3

Please list all of your group, area, regional, and subcommittee experience that you deem relevant to the position that you seek.

'22 Vice Chair 24Hr Room, Current GSR of Architects of Adversity, member of P.R., I've served on the 24 Hr Room for many years, been GSR for 3 different homegroups, served with H&I, & WSR.

Please list all of your NA service position experience within the past five years and the approximate dates of service.

I have fulfilled my commitments to the above service positions.

What resources (skills, talents, qualities) can you bring to the service position?

I have experienced all different levels of service with the 24Hour Room and was a part of the 1st 24Hr. Room. I have a passion for this committee and it's purpose of carrying the message to the addict who still suffers. I am dedicated to its success.

What life experiences do you have that you believe will be helpful in performance of your duties?

I am organized, meticulous, detail-oriented, driven, passionate about helping people. I also understand the importance of spending our money wisely to provide a memorable experience.

What other information do you want to be considered in your application for this position?

I don't have the 3year clean time requirement to be Chair but I did have the 2yr. requirement to be Vice Chair because we elected later in the year. I will meet the clean time requirement by May, God willing.

Thank you,

To create an ad hoc committee in order to hold a special 2023 event to celebrate the 40th anniversary of the publishing of the NA Basic Text.	
Intent	
The Marietta Area played an important role in the writing and publishing of the text, so it would make sense to honor that history with an all day event. This motion would approve the creation of an ad hoc committee, but a budget would need to be submitted and approved by the ASC.
